New OSP Agency Survey

Now it's your turn! OSP needs your participation in meeting the procurement needs of State government.

Simply complete and submit this survey so we can research ways to save everyone time and money. We believe there are opportunities in this area for good statewide non-mandatory contracts.

Please share with us your info so we can see across all agencies the common commodities to create contracts.

1. What are the most frequently purchased items (top 10) purchased by your agency up to $25,000?
