Credentials Review / Temporary License Requests

Megan Chanhnouvong, D.C., and Chad Taylor, D.C., submitted completed applications for review, and both are requesting unsupervised temporary licenses. Each applicant meets all qualifications. Dr. Barnett moved to approve the credentials review of each applicant and to grant an unsupervised temporary license to each applicant until the next regularly-scheduled orientation. Dr. Moore seconded the motion. Discussion followed. Dr. Traylor-Logan stated that there was concern that a teleconference was being held for these applicants when others in the past had to wait for a regular meeting. She stated that the Board typically does not hold teleconferences due to the cost. Dr. Taylor stated that these applicants were within the time frame that a meeting could be called and he did not recall applicants having to wait; there were issues with their applications/paperwork that delayed review. Dr. Barnett called the question. The Board voted. The motion passed unanimously.

Externship Request

Julian McMurray, D.C., submitted a completed externship application. Gaylon Carter, D.C., is listed as the preceptor. Dr. Barnett moved to approve the externship providing Dr. McMurray
meets the requirements to be fully licensed in 12 months. Dr. Traylor-Logan seconded the motion. The motion passed unanimously.

Adjourn

Dr. Moore moved to adjourn. Mr. Roberts seconded the motion. The motion passed unanimously.
