OLD BUSINESS

Proposed legislative changes / rule changes regarding: Part IV, NBCE transcript, Corp. Certificates/registrations, etc.
Again, proposed rules and or legislation language or topics were presented to the Board for consideration as it was tabled from the last meeting for updates. Some items have already been approved by the Board where as others have not. Several members reviewed the corporation acts and or rules of the medical, dental and veterinary boards. After a brief discussion as to how to proceed with drafting a corporation act for the ASBCE, a directive was given to the director to draft an act using the medical board’s corporation act and substituting their name with ASBCE.
Additionally, the board discussed the Internship program language that Dr. DuPriest had presented at a past meeting. The board tabled this language for possible changes to (d)(5), (e)(1) & (2) as they would like to have input from Dr. DuPriest.

**CLEST Re: Physicals**
A letter was to be sent to CLEST to request the rational used to deny the board’s last request and for them to cite any laws pertaining to such, as well as, getting a copy of their board minutes. The director informed the board that a letter had not been sent, but that she did contact the director of CLEST. Ms. Cook, CLEST director, informed the ASBCE director that there was not a lot of conversation on our recent request and that the commission simply upheld their original decision from 2013. Ms. Cook stated it may have been because no one from ASBCE was there to discuss the item with the commission or that they may have denied it because historically they’ve only accepted physicals from Licensed Medical Doctors. Additionally, Ms. Cook was asked for additional information regarding the original request from 2013. No written request was on file as they believe it may have been called in to the agency director at that time. The board tabled this item until the letter is sent to CLEST and a response has been received.

**NEW BUSINESS**

Reminder to members that their SFI is due by January 31st of each year.

A motion was made by Dr. Taylor to approve the payment of the one hundred dollars ($100) per meeting attended for 2018. Motion seconded by Mr. Gunter. Motion passed.

**Transfer & Temporary License Requests**

**Kristie L. Davis** submitted a completed transfer of license application on December 28, 2017. She meets all application requirements except for New Licensee orientation. Dr. Courtney motioned to approve the application. Dr. Holt seconded the motion. Motion passed.

The board president requested that the agenda be amended to add Lee and Natalie Horine during the discussion of temporary licenses. Mr. McCoy motioned to allow the amendment. Dr. Taylor seconded the motion. Motion passed. Natalie Horine asked how they would go about looking to see if they would qualify for a temporary license without supervision because they would like to open a practice by spring of this year. Dr. Holt motioned to deny the waiver request. Motion seconded by Mr. Gunter. Motion passed.

Late Renewal- CE approvals
Dr. Christopher Culpepper submitted a timely renewal however 23 of his 24 hours were not preapproved for 2017. The one hour that was preapprove was for an online course. He recently obtained 11 online hours and 12 onsite hours that are preapproved for 2018. He requests that the board accept the 23 hours he recently obtained in 2018 to count for the incomplete hours for 2017. He has been informed that the 23 hours will not count towards his 2019 license renewal, as he will have to obtain an additional 24 hours for that renewal. Dr. Courtney motioned to accept the hours for his 2018 renewal. Dr. Heard seconded the motion. Motion passed.

Dr. Christine Hurley submitted a late renewal, as she did not have all her hours due to health reasons during 2017. She did obtain 12 online hours in 2017 however; she was unable to attend onsite hours. Therefore, in lieu of the 12 onsite hours she submitted 12 online hours that she obtained in 2018. Her request is that the board would accept the additional online hours in lieu of the onsite hours due to her health condition and letter from her physician.
