Director's Corner

Hello! I am Sheila Caudle, the newly appointed Executive Director of the Arkansas State Board of Cosmetology. I have many years of experience in the cosmetology field as well as working within the State Board office from being the receptionist, working with the schools, an inspector, and now as director. I look forward to working with all of the practitioners, salon owners, school owners, and students around our beloved natural state. I would like to ensure you all that our office is here to help in any manner regarding your questions, suggestions, and comments. Again, I look forward to the future as our office can assist you in any manner.

Regards,

Sheila Caudle

From the Gavel

Greetings! I am Susan Collins-Burrough, from the small community of Pettigrew in southern Madison County. My peers have shown their confidence in me to elect me Chairman of the Arkansas State Board of Cosmetology.

My experience includes 23 years as a licensed cosmetologist, 7 years as a licensed cosmetology instructor, 23 years as a practicing salon owner, and I do on-site evaluation assessment audits across the nation to various cosmetology schools and career colleges. I have been fortunate to have visited many schools and learned various things about our industry nationwide that I would like to share with you.

This Board and our office staff are committed to bringing the best customer service and meeting the needs of all those in our illustrious industry.

My pledge to you is a Board that is accessible and an office that is capable. Please feel free to contact our office for any questions, comments, or concerns you may have.

Regards,

Susan Collins-Burrough
