RULES FOR NONPARTISAN JUDICIAL OFFICE FILING FEES

The State Board of Election Commissioners held a public hearing on July 6, 2011 following a thirty-day public comment period to adopt revisions to the "Rules for Nonpartisan Judicial Office Filing Fees" that set forth the procedure for establishing filing fees for nonpartisan judicial offices and procedures for payment. Below is a summary of the initial revisions that were approved by the Board on May 25, 2011 for the public comment period. No public comments were received on the Rule.

Initial changes included: 1) addressing a legislative change creating district court districts containing more than one county, by allowing a candidate to pay the filing fee in any county in the district; and 2) addressing a legislative change regarding the filing period for filing fees.
